

# Alternative 'ch' sound

The children have previously been taught that the 'ch' makes the sound demonstrated in cheese and chicken.

Read the 'ch' words below, can you put the sound buttons underneath?

chip chop champ much

crunch bench chest

Sometimes the 'ch' can make a different sound as in 'c' e.g. Christmas/chord.

Read the words below containing our new 'ch' sound.

school	chemist	chord
chorus	headache	Chris
achith 	choash 	lowch 

many	some	all
------	------	-----

Read the sentence:

Chris, the cheeky chicken sang lots of chords in his chorus.

Can you sort these words into their two alternative 'ch' sounds?

school Christmas chopping cheeky
