

## Autumn 1

We are currently in the process of finalising the events diary for the whole school year. We do this to give you the maximum notice for all events, but especially those that you are requested to attend. We know many of you work and will not always be able to attend everything and we understand this. We wanted to share the dates that involve parents for this half term as soon as possible to help you organise your diaries. Below are a few dates where parents are requested to attend if possible. The full yearly diary will be out shortly.
